

FCAT 2014

Hello everyone,

For those interested in 2014 FCAT, the tables below list the results from the State of Florida Department of Education for grades three through six at Lakeland Montessori Schoolhouse and grades seven and eight at Lakeland Montessori Middle School as compared to the Polk County School District and the State of Florida.

We are proud to report that both Lakeland Montessori Schoolhouse and Montessori Middle School received a “B” from the Florida Department of Education school grading system. Although we consider test scores to be only one of the indicators of a child’s development, our excellent results are one demonstration of the proven effectiveness of quality implementation of the Montessori method of education.

Congratulations again to all of our parents, students, and staff for all of your hard work in making our schools and each student a success!
