

The Special Events Committee has one major goal:

1. Maintain traditional special school events, including Teacher Appreciation, through planning, coordinating with school leaders, and coordinating volunteers.

Traditional Events

1. **Friendship Feast** - Last day before Thanksgiving Break
2. **Multi-cultural Festival** - last day before Winter holiday break
3. **Tea and Art Show** - last day before Spring break
4. **End of Year Celebration** - last day before Summer break
5. **Staff Appreciation week** - One week in May

Ways Families Can Get Involved – Everyone

Families can watch for opportunities to volunteer aka SIGN UP for onsite participation and assistance with specific events. These notices will be posted on a Wiggio Community Group. These volunteer hours count towards the school requirements.

Even if not volunteering, please make every effort to attend and enjoy what our students, staff, and families have prepared !!!

Ways Families Can Get Involved – Planning and task assignments

Special events planning sessions are conducted at monthly PAC Meetings, so we need parents who are able to attend regularly to share ideas and take on responsibilities to follow through with tasks.

We need one tech savvy parent willing to set up and maintain online system for coordinating volunteers.

Coordinators Needed for Special Projects

Teacher Appreciation: Educate parents about opportunities to volunteer, donate money, or donate services for the teachers. Collect resources and help during this week of events.
