Upper Elementary Milestone Information Sheet

In recognition of the day your child was born, we will gather at group time and tell their life story as they hold a globe and "orbit the sun." Please tell us about milestones in your child's development by year. This information will be used to mark each year of growth as your child holds the globe and circles the sun (each circle marking a year). Please feel free to use additional sheets of paper as necessary. Some examples include: took first steps, tried a certain food and it became a favorite (include the name of the food), celebrated the addition of a sibling into the family, learned how to skip or took first trip. You are welcome to join us for this activity on a collaboratively scheduled date between the hours of 11:10am-11:30 or 2:20pm-2:40pm.

We are unable to accommodate any other party type activities in the classroom (i.e. cakes, treats, balloons and gifts). If you wish to invite students to a party, please use the Family Database (available on the school website, http://lakelandmontessori.com/parents/parent-log-in/family-database/) to mail out invitations.

Milestone Information

Student's Name: _____
Place of Birth (City, State, Country): _____
Date of Birth: _____
Time of Birth: _____

Please tell us about milestones in your child's development by year.   Be sure to bring a photo from each developmental year to share with the classroom. (All photos are returned same day, immediately following the recognition.)
